service gGmbH

2nd labour market – short definition

- ...means all state-subsidized employment relationships.
- ...is necessary as an instrument which considers the social aspects of a labour market and reduces social exclusions.
- ...aims in particular to help to integrate employees with social disadvantages to the regular labour market.
- ...it is usually run by non-profit organisations, who offer these kind of job opportunities.
- The grade of the handicap or social disadvantage rate the figure of the financial compensation.

2nd labour market – short definition

guidelines

- The newly created jobs do not displace activities in the 1st labour market.
- The jobs have a communal benefit.
- Working there is intended as a bridge into the regular labour market.
- If the transition is not possible, it is the duty to create genuine/real jobs.
