Youth policy

Youth policy – what it means for us?

- ❑ Youth NFE training courses
- ❑ Youth projects (AIPY(JSPA), MES(IZM) and funds from Līvāni district council)
- ❑ Events of youth initiative (support in realization of youth ideas)
- ❑ Various nontraditional culture, sport and tourism activities
- ❑ Intersectoral collaboration(events together with Social service, Culture center, educational institutions, sport organizer, local Recruitment and Youth Guard Centre, NGO's, NVO, State Employment Agency, etc.)

Youth policy – what it means for us?

- Exchanges
- Resource place (financed by MES(IZM)) – inventory of alpinism, tourism available for youth
- Youth information activities – youth webpage, youth magazine, youth TV, cooperation with school councils, forum, social media, etc.
- Voluntary work and its coordinating
- Cooperation with SEC(NVA) (projects for youth voluntary work: 6 months /40,00 LVL grant)

Cultural and creative activities (music festivals, town festivals, concerts, shows, open-air cinema etc.)

brīvprātīga
darba
stundas

Acknowledgement

- Work experience to put in your CV
- Public award ceremony
- Cool prizes 😊

Multifunctional youth center of Livani

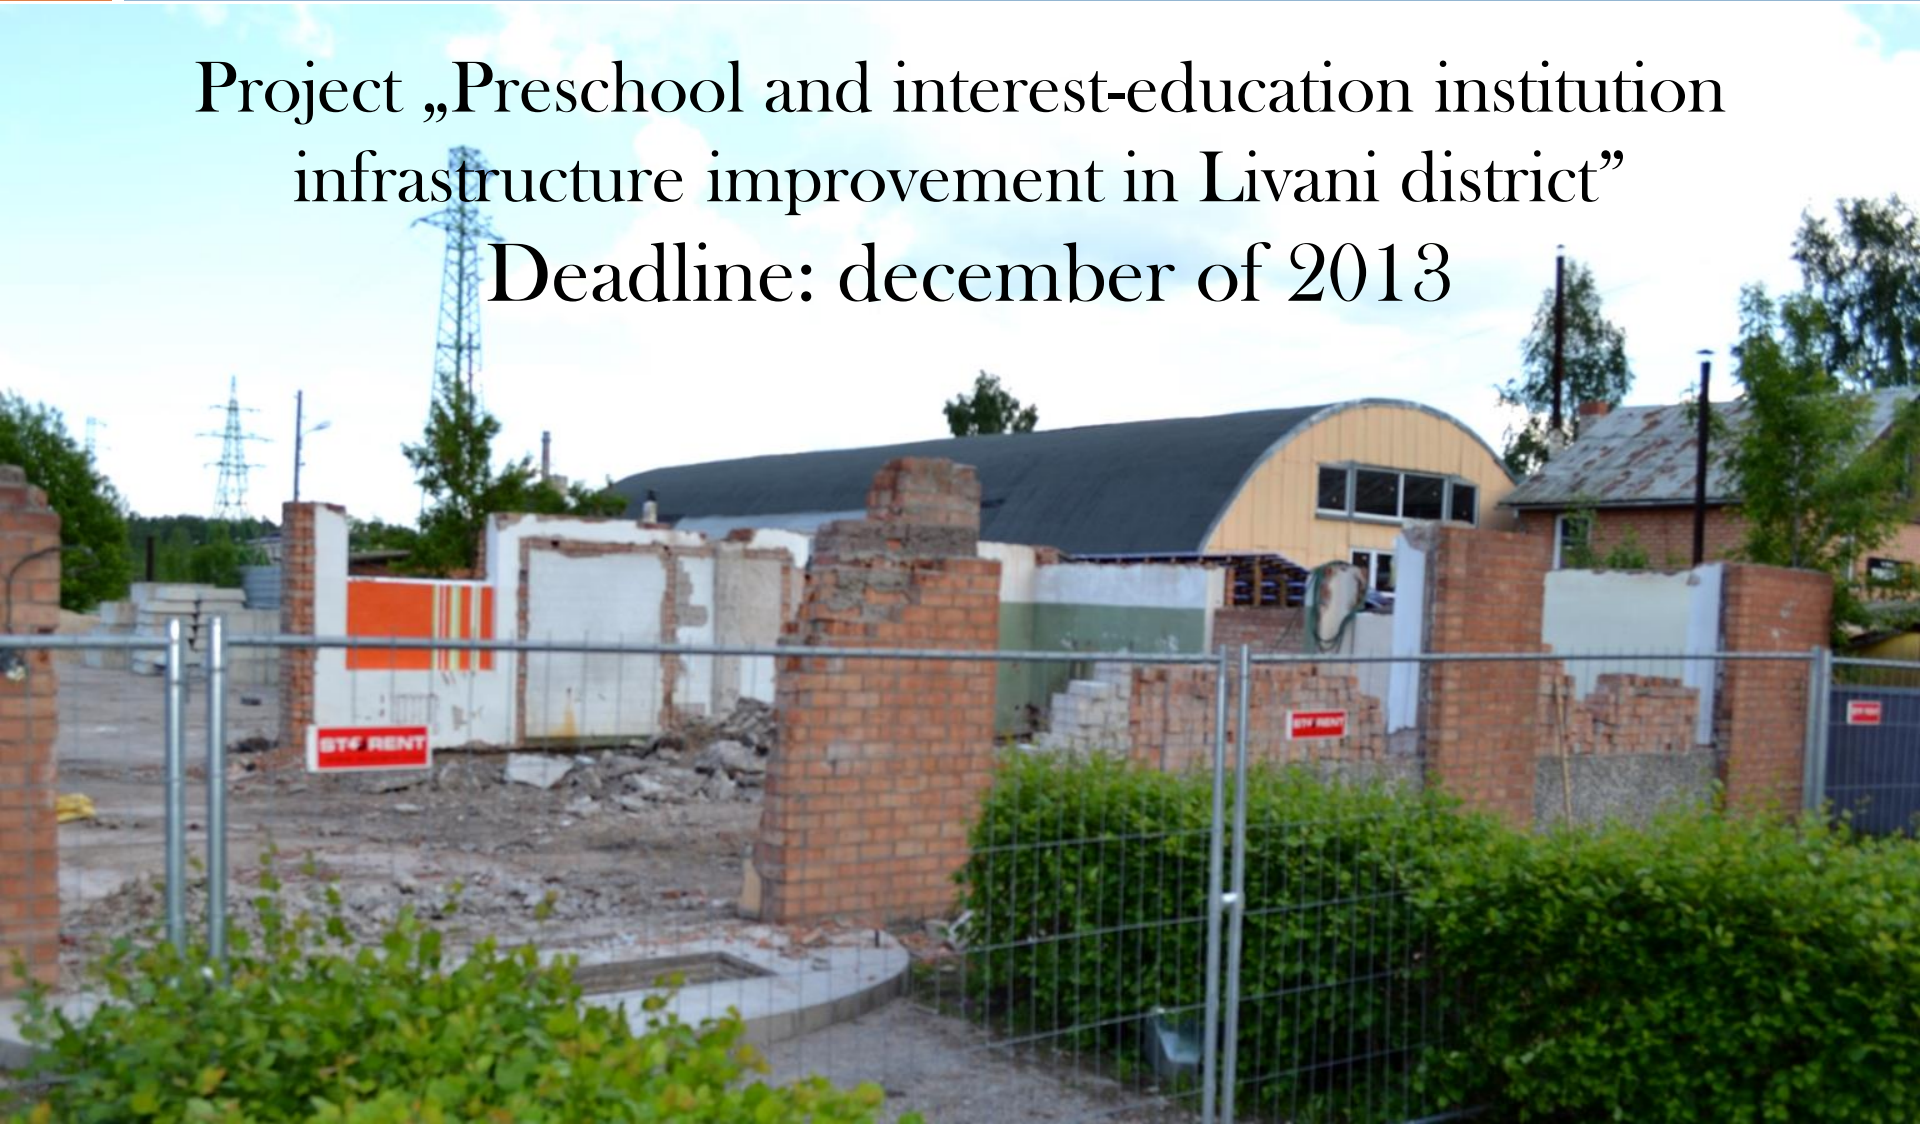

This is how it was before...

Building: EU funds – within CF/ERDF(ERAF+KF)
Operational programme „Infrastructure and Services”
(~ 600 000,00 LVL)

Project „Preschool and interest-education institution
infrastructure improvement in Livani district”
Deadline: december of 2013

The space in JIC will be created by means of Latvian - Swiss cooperation programme.

Total expenses: 100 000 LVL, from which 27,85% is funded by Livani municipality.

- **Space for youth initiative groups with office equipment**
- **Training course room with equipment**
- **Youth hostel / Mirror-hall**
- **Fitness room with equipment**
- **Music room - with instruments for group, equipment for playback and DJ'ing**

- **Leisure time room** (table games, TV, computers with internet and informational zone, corner for peaceful rest)
- **Little kitchen**
- **Showers and wardrobe**
- **Rock-climbing wall** outside the building
- **Hockey board** for putting on streetball field in winter

+ from CYC - Resource place

+ necessary inventory for useful spending of youth leisure time and activities organizing

Surrounding territory landscaping:
Skatepark, football stadium,
sand-volleyball, sand-football
field, streetball field, outdoor
table-tennis.

What will change?

- + **We will be able to increase** youth leisure time spending possibilities and offer
- + **Will be enlarged** space and inventory resources for youth, support possibilities for youth initiative groups.
- + We will have more opportunities **to organize existent and new activities more qualitative and simpler.**

What will change?

- + Environment suitable for youth will promote youth involvement in useful leisure time spending activities and **youth involvement in social and civic** activities.
- + Opportunities for organizing activities with staying over night what makes easier also involving youth from rural municipalities in these activities.
- + Planned also volunteer involvement from abroad (**EVS projects**).

Questions? 😊

We have lots of fun from being together 😊
And we wish fun for you too!
